guarantee under section 4022A of ERISA.

Successor plan means the plan created by a partition order under section 4233(c) of ERISA.

Successor plan benefit means, with respect to a participant or beneficiary whose benefit was wholly or partially transferred from an original plan to a successor plan, the portion of the accrued nonforfeitable monthly benefit which would be guaranteed under section 4022A as of the effective date of the partition, calculated under the terms of the original plan without reflecting any changes relating to a benefit suspension under section 305(e)(9) of ERISA. The payment of a successor plan benefit is subject to the limitations and conditions contained in sections 4022A(a)-(f) of ERISA.
